**for Summer Vacation**

**CLASS - 3**

**Let's spend  
the Summer Vacation  
in a very productive way.**

- 1. We sincerely request parents not to help their children to do the summer vacation. Let them do by themselves.**
- 2. Dear students, You are free to do your home-work in your own mother tongue also.**

## NOTE:

1. Activity to be done in chart paper or any other paper available.
2. Take a snapshot of the Activity as well as a video and send it to your Class –Teacher.

**1. Create Your Own Corner** - The students will prepare their own corner using the materials of their choice (pillow, duppatta, bedsheet etc.). After that they will spend as much as time they want to spend there and will do few activities whatever they like (NO SCREEN) and they will also do the diary writing (how the day spent well).

### Category -

- Time 10 to 15 minutes minimum
- Do it for at least 15 Days.
- Draw a chart about what you did there?
- You can also describe your feelings in your own language.

**(Prepare an observation chart and mention how many times you have spent in the Activity corner and list the activities performed there)**

**(We sincerely request parents not to help their children in the summer vacation. Let them do by themselves.)**

**2. Help Birds and Animals for survive-** - In the summer season, the food and water are scarce for the roaming animals and birds. Make arrangement for their food and water to help them survive the scorching heat. Observe the species around you and what you are doing for them.

**(We sincerely request parents not to help their children in the summer vacation. Let them do by themselves.)**

**3. Create a Postcard** - During this pandemic most of us are missing the great times we spent together with our best friends. Why not tell them that you are thinking about them? Create a postcard and share your feelings about them. (Ask your parents whether they had ever received or written letters through postcards and if they have them currently in their possession. If yes, share photographs of them.)

**(We sincerely request parents not to help their children in the summer vacation. Let them do by themselves.)**

**4. Plans for Summer Holidays** - The summer vacation is on the way. We advise you to nourish your hobbies and skills. Share your plans for this summer vacation. What are you going to learn or create? (There are various useful Online Classes being conducted on art and craft, music, astronomy and others. With the help of your parents enroll in any of them and share your experiences and what you learnt there.)

**(We sincerely request parents not to help their children in the summer vacation. Let them do by themselves.)**

**5. Be a Helper** - What are the different job and activities that you do at your home to help your parents. Share with us with some beautiful drawings

**(We sincerely request parents not to help their children in the summer vacation. Let them do by themselves.)**

**6. Search for Happiness** - What are you doing at home to keep yourself happy at present time? Prepare an observational chart showing your various sense organs and the happiness that you have achieved with them. Like – The eyes are your sense organs for sight. You see beautiful clouds or colorful flowers and get pleasant feelings.

**(We sincerely request parents not to help their children in the summer vacation. Let them do by themselves.)**

**7. The Memorable Thing** – We all have something which is too close to our heart and we love to keep it as a pleasant memory. It may be a gift from your parents, relatives or friends; a prize which you have won in the competition or even a photograph. What is your memorable thing that you love to cherish? Share with us.

**(We sincerely request parents not to help their children in the summer vacation. Let them do by themselves.)**

**8. Dream Destination** - The world is full of beautiful places and we do have our dream destination. What is your dream destination? What are the things about this place that attracts you? Describe in brief. Also list ten Nouns in Hindi and English related to this place. )

**(We sincerely request parents not to help their children in the summer vacation. Let them do by themselves.)**

**9. I Love Cartoons** - We all have our beloved cartoon characters. Tell us why do you like them so much? Choose any of your most cherished cartoon character and describe their characters with all its positive and negative sides. What do you learn from it? )

**(We sincerely request parents not to help their children in the summer vacation. Let them do by themselves.)**

**10. Surya Namaskar** - Surya Namaskar is the combination of the best yoga postures to keep the entire body-system healthy. Take the help of parents or YouTube to know more about it and how you can do it at home every morning. We encourage you to adopt this healthy habit for the lifetime. Prepare an Observational Chart on the effects it had on you. Also mention the postures and the time taken to adopt them comfortably. )
