Story: The Brave Little Girl

One day, a young girl named Meera lived in a small village near a dense forest. She had a kind heart and a brave spirit. Her house was old but clean, with a beautiful garden full of bright flowers. One morning, Meera saw a tiny bird with broken wings lying on the cold ground. The bird looked weak and helpless. Meera gently picked up the poor bird and took it to her warm home. She gave it fresh water and soft food. Slowly, the bird became strong and happy again. After a few days, the bird flew away into the blue sky. Meera felt proud and joyful because she had done a good deed.
